

STURGEON LAKE SAILING CLUB

Request for Charitable Donations - 2009

The Sturgeon Lake Sailing Club cannot survive solely on revenue from instructional fees. We must rely on the generous support of our community to ensure that the Club can continue to operate safely and effectively.

The SLSC community is far reaching. It includes hundreds of junior sailors and their families who have benefited from the Club over its 52 years of operation. In particular, we are appealing to previous junior sailors who are now out in the "working world" and may not have considered a donation to help support SLSC. I'm sure you remember how much fun you had learning to sail, racing against your friends, going to dances and movie nights, and generally having the summers of your life! We need your support if future kids are going to get the same opportunities as you.

Thank you to those of you who have helped the Club in the past. We hope that you will continue to do so in the future.

If you are able to help the Club with a donation (and/or know of someone else who can), please fill in the following information and send it with your donation to:
